Dear Business Leaders,

Portland Ovations propels the artistic, social, educational and economic wellbeing of communities through the power of the performing arts.

Live performance is a significant economic driver and community builder. With more than 40,000 people experiencing our programs, Ovations catalyzes \$4,000,000 annually in local economic activity.

The arts delight and entertain, provoke contemplation and can be a tool for social change. Live performance creates a shared experience where differences are honored and similarities celebrated. The performing arts are one of the most powerful and vibrant ways in which communities gather together.

As a Maine nonprofit, Ovations is guided by our core values. Through our governance, policies, and programs, Ovations –

- celebrates the power and brilliance of the performing arts.
- commits to being an anti-racist organization.
- continues to evolve governance, operations, finances and programs to embody inclusivity, diversity, equity and access.
- nurtures a staff, board and collective culture that is compassionate, committed and enthusiastic.
- collaborates with other arts organizations, nonprofits, education systems and the business sector to promote lifelong learning through the arts.

We invite you, as business leaders and corporate sponsors to align your brand with Ovations’ – uplifting and expressing these values in our communities as we gather together to experience the joy, delight and power of live performance.

With gratitude,

Aimée M. Petrin
Executive & Artistic Director
